

Mitigation Plan

List of measurements and actions that will apply during the event in order to mitigate the risk of COVID-19 transmission.

1. Every Participant of the event is obliged to familiarize with these Mitigation Plan. All the Participants of the event (excluding Organiser's employees) are taking part voluntarily and on their own responsibility. All Participants are required to comply with these Mitigation Plan and any other regulations in force in the competition established by the Organiser. All who decide to take part in the event (in any role) and are allowed to participate in the event by Organiser during the pandemic are doing so at their own risk. The Organising Committee doesn't take any responsibility for infection with COVID-19 of anyone taking part in the event.
2. All rules and regulations in force by the Hungarian Government must be followed.
3. Everyone who is entering the venue must prove the following. Only people who have been vaccinated against the COVID-19 virus, have tested negative or who have contracted the virus and have recovered are entitled to participate. This means everyone over six years of age will need to show evidence of vaccination, a negative PCR test within 72 hours or having recently recovered from the virus. If none of the three options is applicable they will be tested on-site before entering the venue. The OC will register that information and data. Upon arrival each participant needs to fill in a health statement that will be signed by each team member (families/trainers/vets/truck drivers).
4. The following procedure of entering the showground will be carried out:

All the Participants of the event are entering the showground using only the entry or gate specified by the Organiser.

A measurement of the temperature is an obligatory procedure and it's anonymous. If the temperature is greater than 37.5 degrees C, the person cannot enter the venue. Refusing to follow the procedure of taking the temperature results denning the access to the showground. Each Participant given the access the showground will be marked with a wristband. Entry without wristband won't be allowed.
5. All participant have to bring and wear a face mask covering nose and mouth, keep 1,5 meter of social distance and systematic sterilising hands at the stations located in toilets area, show office, competition zone, stables.

6. Offices, toilets will be cleaned and sterilized regularly during a day. A list of cleaning occasions will be hanged on the door.
7. During the event there will be a person responsible only to supervise and control all regulations on daily basis.
8. Information will be delivered electronically through the website and facebook page of the event.

The most common symptoms of COVID-19 are fever, dry cough and tiredness. Other symptoms that are less common and may affect some patients include: aches and pains, nasal congestion, headache, conjunctivitis, sorethroat, diarrhoea, loss of taste or smell or a rash on skin or discoloration of fingers or toes. These symptoms are usually mild and begin gradually (Source: WHO website:<https://www.who.int/emergencies/diseases/novel-coronavirus-2019/question-and-answers-hub/q-a-detail/coronavirus-disease-covid-19>) and the Participants with symptoms must immediately:

1. Go to the isolation space assigned by the Organiser.
2. Call the Organizer: +36709446032
