RE: Clock and Article 430.9

Please be informed that the Dressage Committee during its meeting in May decided to make the following clarification to the Rules for Dressage Article 430.9:

"In order to avoid possible inconveniences arising from the absence of a clock as provided by article 430.9 of the FEI Dressage Rules, or technical problems when clocks are not working properly or in case of difficult visibility of such clocks (because of weather conditions etc), the judge at C must be provided with a stop-watch which will be used to ring the bell a second time in order to advise the rider that he/she has to enter the arena within 15 seconds."
