Dear Sir or Madam,

Please be advised that a Foreign Rider should also be appointed for each International Dressage Event.

The Foreign Rider will be designated by the Organising Committee prior to the commencement of the event and his or her identity should be announced during the draw. A notice to this effect should also be displayed in the show office and in the stables. The duty of the Foreign Rider will be to liaise with the Foreign Judge on all matters of technical concern and to fill out the Foreign Rider report *attached and return it to the FEI Dressage department*.

We wish you a very successful event.
